

## Virgin Mary & Child - Jerusalem

The Virgin of Jerusalem appeared in a dream to a nun named Tatiana, and she asked Tatiana to write an icon of her. Tatiana went to ask permission from her abbess to begin the icon. When she returned to her cell, Tatiana saw a bright light shining through the door. She went to tell the abbess, and together they discovered the icon of the Virgin of Jerusalem had miraculously appeared. In a later dream, the Virgin asked Tatiana to take the icon to the place where she was assumed into heaven, the Church of Mary's Dormition. The Virgin of Jerusalem reminds us of the eternal rewards that are promised to those who faithfully love and follow her Son.
